

# PassPort Automated SDR Process

**Mark Ferguson  
AFMC LSO/LOPP  
DSN 787-1984  
[mark.ferguson@wpafb.af.mil](mailto:mark.ferguson@wpafb.af.mil)**

# History of PassPort

- **AFPD 24-2 metrics requirement**
- **Pack Probe**
  - Hazardous materials
  - General packaging
- **PassPort**
  - Modeled after Pack Probe
  - Added SDR data fields

# PassPort

- **Web based**
  - Netscape
  - Internet Explorer
  - Developed using:
    - » HTML, JavaScript, Cold Fusion
    - » Access database
- **Benefits of PassPort**
  - Easy to use
  - Reduce process cycle time
  - Perform trend analysis

# PassPort Process

- **Anyone can access / send SDR**
  - <http://www.pats.wpafb.af.mil/Passport/>
- **Email notifications**
  - **Item manager**
  - **Packaging specialist**
- **Allows item manager / pkg specialist to answer SDR**

# PassPort

- **Current status**
  - Developed, not tested
  - Not coordinated with DOD supply
  - Contractor one deep
- **POC: Mark Ferguson**
